UX PROJECTS

Pizza Comics **UX Designer (Volunteer)**

2021, remote

A mobile web app I created for a pizza restaurant in my town; its main purpose is to let the user book a table, while promoting the restaurant as a premium brand.

Careerfoundry **UX Designer (Bootcamp project)**

2021, remote

The name of the project is Experts; it's a web app that aims to connect users with experts of any fields. Users can book a call, chat with the expert and schedule an appointment in person.

WORK EXPERIENCE

NOA Hospital **Internship - Organizational well-being**

Sept. 2021-present, Massa, Italy

Observe behavior between doctors and nurses to identify pain points in their work relationship to improve collaboration. Gathering and analysis of data on assaults on the personnel.

Comparative Psychoterapy School **Internship**

Mar. 2021 - Sept.2021, Florence, Italy

Participated to therapy workshops to understand the patient's experience.

Aurora Domus **Educator**

Jul. 2020- Mar. 2021, Aulla, Italy

Analyzed and identified problems inside of broken families to support with empathy and solutions to resolve conflicts.
